

# Bring The St. Louis Children's Choirs to your school!

**Friday, April 21, 2017 – Elementary School Ensembles**

**Friday, April 28, 2017 – Middle School Ensemble**

*An experience worth singing about! An experience worth sharing!*

The St. Louis Children's Choirs has been enriching the lives of young people for over 35 years, offering students an extraordinary program of musical excellence and character development through choral music education. Children make friends and learn to work and perform as a successful team. Students ages 6-18 from over 200 schools throughout the St. Louis area participate in The St. Louis Children's Choirs and we invite you to share this opportunity with your school!

In addition to the outstanding performances throughout the year, ensembles from The St. Louis Children's Choirs perform at elementary and middle schools each spring as part of the "Serving St. Louis Through Song" program. A concert is 30 minutes long and creates an engaging and inspiring focal point for a school assembly or fine arts day.

"Serving St. Louis Through Song" performances are made possible in part by the E. Desmond Lee Collaboration and are completely free to schools. For more information regarding The St. Louis Children's Choirs or the "Serving St. Louis Through Song" program, please contact the Choir Manager at [info@slccsing.org](mailto:info@slccsing.org) or (314) 993-9626.
